THE JACKSON HEALTH RESORT

DANSVILLE, NEW YORK.

Has been known for twenty years as the Jackson Sanatorium

The word Sanatorium, which is applicable to all institutions where therapeutic measures are employed for any form of illness, was used for the first time in the United States by Dr. Jackson to designate a health institution, when he built in 1858 the first fire-proof structure erected in this country for that purpose.

The general adoption at the present time of the name Sanatorium by proprietors of institutions for the insane or mentally unbalanced, and for cases of drug habit, has led to the error of confounding The Jackson Sanatorium with such establishments. Some persons who are not familiar with the character of this Health Institution have had an impression, because of its name—Sanatorium—that people afflicted with mental disorders were received and treated by its physicians.

As the Jackson Sanatorium is not a place where insane people are received or where cases of drug habit are made a specialty, its name has been changed in order to correct such misapprehensions on the part of the public.

This renowned institution, holding to the distinctive character and methods which for forty-five years have made its works so successful and its manner of life so helpful and attractive to health and rest-seekers, will be known hereafter as THE JACKSON HEALTH RESORT.

Address, J. ARTHUR JACKSON,
Manager, Dansville, New York.

The Aberdeen & Rockfish

RAILROAD, AND

Its Resources

The business of this road, which has forty-four miles in operation, is increasing yearly.

It has developed a rich and prosperous section, well adapted to TRUCK and FRUIT GROWING, as well as TOBACCO, COTTON, WHEAT and other STAPLES. It is an excellent farming section.

BARGAINS IN LAND.

LANDS CAN BE PURCHASED ON REASONABLE TERMS AT LOW FIGURES, and the wise farmer can in a few years make enough to pay for his land. Climate, soil and quick connection to the Northern Markets make it an ideal section for growing early vegetables and fruit.

FINE TIMBER LAND SECTION

The main freights of the ABERDEEN AND ROCKFISH RAILROAD in its early history were lumber and the products of the pine—Spirits of Turpentine, Tar, Rosin. It runs through a country that furnishes fine Juniper Poles, grows fine Cotton, and other crops that give heavy freights.

FINE WATER POWER.

On the line of the Aberdeen and Rockfish road is a FINE WATER POWER, furnishing sufficient power to run a large factory. It has been idle hitherto because far removed from railroad transportation. It is destined to be the site of a flourishing manufacturing town.

THE TOWN OF RAEFORD.

Located about midway on the line of the ABERDEEN AND ROCKFISH is situated the growing and prosperous town of RAEFORD. It has splendid school and church facilities, with enterprising and prosperous business houses that sell to a large section of the surrounding country.

FINE OPPORTUNITIES FOR INVESTMENT.

The building of the Aberdeen and Rockfish Railroad has opened up fine opportunities for investment, as well as unexcelled opportunities for home-making.

—THE—

Atlantic & North Carolina R. R.

From Goldsboro to Morehead City, its Ocean terminus, runs, for a distance of 95 miles, through the centre of the great trucking belt of Eastern North Carolina, than which no section on the Atlantic Coast, from the Capes of Virginia to the Keys of Florida, is better adapted to or more productive in the growth of vegetables, both early and late, of every description, and of fruits, vines and grapes of every variety.

By reason of the great extent of its land waters, the climate is mild and temperate, and the occurrence of frosts—the great dread of Truckers—reduced to a minimum.

Its fine and unfailing natural pasturage, available during the entire year, renders it unsurpassed for Stock Raising and Dairy Farming. Large crops of the finest grades of "Bright Tobacco" are grown and sold at remunerative prices, while Grain of every kind is easily and profitably cultivated.

The soil is from a deep black to a light sandy loam.

In the Sounds and Rivers, fish and oysters and other water products are abundant, while the forest and fields are filled with game, from the bear and the deer to the rabbit and the quail.

The climate is salubrious and healthful.

The Winters are mild, the Summers pleasant.

Flowers bloom in open the year round.

Land values are reasonable, and settlers are given a hearty welcome.

The Atlantic Hotel and Cottages,

MOREHEAD CITY, N. C.

The management of the Atlantic & North Carolina Railroad Company purchased all that splendid property located at Morehead City, its eastern terminus, the popular and justly famous Atlantic Hotel and Cottages. It is its purpose to do everything possible to make it in reality, what nature intended it to be, the best and most popular seaside summer and winter home on the South Atlantic Coast. Every facility for doing so will be provided for those, both in and out of the State, who desire to avail themselves of the comforts and advantages of this delightful spot.

For time tables or other information with reference to transportation, address, S. L. DILL, Gen'l Supt., New Bern, N. C.

JOHN A. MILLS, Pres. and Gen. Mgr.

RALEIGH & CAPE FEAR R.R.

Opportunities are afforded settlers along the line of this railroad such as are not equalled anywhere else in North Carolina. The country through which this system is operated is now being opened to investors and invitation is extended the best element of farmers from all sections of the country.

Farming land of unusual richness is ready to produce immense harvests, trucking is offered the best soil and climatic conditions, tobacco growers here meet with unparallelled success, and new comers are sure of finding themselves among the sturdiest people in the State.

FUQUAY SPRINGS

The healthiest resort in North Carolina, with hotel and cottages open to visitors, has proven itself one of the most charming resorts in the South. The health-restoring qualities of the water have been given the highest recommendations by experts, and hundreds who have been benefitted bear testimony to its value.

The Cape Fear Section

The richest section of North Carolina is along the Cape Fear River and in the territory adjacent thereto. The Raleigh and Cape Fear Railroad has extended its lines into the very heart of this country and operates a double daily service from Raleigh to Lillington, its southern terminus, thus enabling those who live along its line to have quick connection with the Capital of North Carolina and with all points north and South.

People of good character desiring new homes, men of money wishing to make safe investment, lumber men looking for the best field, and manufacturers who are seeking the best locations for their plants, should write

Raleigh and Cape Fear Railroad.

Carthage Railroad

This railroad extends eighteen and a half miles from Cameron to Hallison through the best section of Moore County.

Carthage, the county seat of this richest county in the centre of the long-leaf pine region, is situated on this road, ten miles west of Cameron, about 800 feet above the sea-level, and is noted for its pure and dry atmosphere and beautiful scenery.

As a resort it is a fitting spot in which to spend either winter or summer. Quite a number of Northen people visit this place annually.

As a fruit growing section the country adjacent to Carthage is unexcelled in quality of soil and the climatic conditions are perfect.

Moore county offers to settlers and investors the greatest advantages to be found in the South. Truck and fruit-growers have here quick connection with Northern markets. The people are the best and sturdiest class in the South and invite new comers of good character and honest purpose.

Business enterprises find here excellent locations and great inducements are offered.

Ex-Governor McSweeney

of South Carolina, after the School Books of the

B. F. JOHNSON PUBLISHING COMPANY

Adopted by the State, had been fully tested wrote

"Ignoring the fact that by the introduction of your publications we have saved the people of the State thousands of dollars, the fairness of your histories, and the justice done our Southern men and women in your Readers, has met with favorable criticism at the hands of educators of our State.

"In my judgment, no State would make a mistake by adopting your text-books for use in their schools."

Speaking of a large contract for school-books secured by the B. F. Johnson Publishing Company, Richmond, Va., the Richmond Times says:

"Merit will tell and enterprise will tell; and the merit of the Johnson books and the enterprise of the concern have won the victory.

TAYLOR BROS'. Natural Leaf Tobacco, Winston, N. C. Mild, Soothes the Nerves, Sweet Lasts Longest.

Democratic State Platform--1902.

We congratulate the people of North Carolina upon the adoption of the suffrage amendment to our State Constitution, and upon the benefits that have resulted therefrom, and we pledge the Democratic party to faithfully maintain it by every legitimate means; and we demand that the Republican party shall declare its purpose either to accept or reject it, and until it is accepted as a finality by all parties we declare it to be the duty of the white people to stand together for all's protection.

The Democratic party, representing the intelligence, the virtue and the manhood of the people of the State, recalls with pleasure the entire absence of scandals during its administration of public affairs, and the gratifying advancement which has been made amongst us in all industrial lines. We have fostered agriculture and promoted manufacturing, and have given capital full security and have protected the rights of labor.

We pledge the party to a fair and just system of taxation, and we demand that all subjects of taxation shall bear their just and equal proportion of the burdens of government.

We renew our pledges for the extension and improvement of the public school system of the State, so that it may keep pace with the needs and conditions of our people. We point with pride to the great impetus and progress in this great work during the last two years, and call attention to the fact that this year, for the first time in the history of the State, every school district has been able to maintain a public free school for four months, as required by the Constitution. We believe that the permanent prosperity of the people of this State depends largely upon the construction and maintenance of good roads, and we pledge the party to the hearty support of all wise measures to that end.

We heartily commend and endorse the administration of Governor Charles B. Aycock and other State officials for their faithful execution of the party's promises, in so far as the same has been possible thus early in their terms of office. We likewise extend our appreciation and endorsement to United States Senator F. M. Simmons and to our Democratic Representatives in Congress, and congratulate them and the people of the State for their faithful official services to the State in the councils of the nation.

We re-affirm our allegiance to the Democratic party and its principles as enunciated in its national platform.

We denounce the policy of imperialism as inauguarated by the Republican national administration, and declare it to be obnoxious to our form of government and fraught with danger to the very existence of the republic.

We denounce as oppressive and illegal those combinations of capital known as trusts and monopolies that stifle competition, throttle individual effort and destroy the generous spirit of rivalry that should exist in the commercial world.

We denounce the deceptive and illusory course of the Republican party in Congress, in futhering the existence of trusts by its refusal to enact legislation restraining them and to enforce in good faith the existing laws against them, that party being in the full control of all branches of the government.

We denounce the present iniquitous, unjust and trust-creating protective tariff, imposed upon the people by the Republican party, and demand its immediate revision, to the end that all unjust burdens shall be removed, and especially those upon the necessaries of life. Its provisions enable the trusts to extort from the people unreasonable profits and to sell their products to consumers at home at greater prices than are charged for the same goods to the foreign consumer. We demand, therefore, that all such trust-made goods be placed on the free list.

We favor the establishment of the Apalachian Park, and urge that our Senators and Representatives in Congress use their best efforts to secure its establishment.

We again appeal to the people with a confident belief that it is only from the Democratic party that there can be expected an honest, capable and efficient administration of the affairs of state, and challenge a comparison with the iniquities of Fusion and Republican rule.

We promise the people of the State a continuance of the honest, safe, conservative and economical government which has always characterized Democratic rule, and pledge our best efforts for the advancement of the material prosperity and happiness of the whole people.

Republican State Platform--1902.

We deplore and deeply mourn the death of President McKinley. His Christian character, noble impulses and patriotic spirit have done more to strengthen Republican institutions than any other agency which has been employed in modern times; and his life and work will prove a tower of strength to the Christian religion and to official integrity and fidelity for all time to come.

While we deeply mourn the loss of our beloved President, at the same time we appreciate the fact that in President Roosevelt we have a President whose honesty of purpose and patriotism are such as to assure us that the affairs of the American people are in safe-keeping, and his faith in the principles of Republicanism is such as to guarantee a faithful adherence to those things that have made for this republic the splendid reputation which it now has as a world power.

We endorse the national platform of the Republican party adopted at Philadelphia, and point with pride to the unexampled prosperity which a Republican administration has brought to the country at large.

Intelligence being the corner-stone of the State, and the education of the masses being dependent solely upon our public schools, we favor the support by public taxation of at least a four-months school in every school district in the State, and we condemn the Democratic party for its failure to provide proper educational facilities for the education of the poor children of the State during its lease of power from 1870 to 1895.

We favor generous public aid to all charitable institutions of the State, and the enactment of such pension laws as will give the ex-Confederate soldiers a more generous and equitable distribution of this fund than is provided for by the present pension laws.

We favor such State legislation as will encourage the investment of capital, both foreign and domestic, and we respectfully invite capitalists from abroad to come among us and assist in the development of our wonderful resources.

We invite the attention of the people of the State to the clean, able and economic administration of our State government by the Republican and Populist parties from 1897 to 1901, and challenge a comparison of it with the present reckless management of our affairs by the Democratic party.

We arraign the leaders of the Democratic party as false to every pledge made in the last campaign.

They promised to reduce expenses, and instead of doing so they have increased expenditures in almost every department of our State government.

They promised to curtail rather than increase the number of offices, and instead of doing so they have increased the number of judges and solicitors from twelve to sixteen, and have made other increases in providing for the employment of clerical help that has not heretofore been deemed necessary under similar circumstances.

They promised to reduce salaries, but instead of doing so they have increased the Governor's salary during his term of office, in violation of the Constiution, and have provided many ways by which the people are today taxed far in excess of any rate they have heretofore had to pay.

They promised to reduce taxation, and instead of doing so they have legislated so that our receipts increased within three years in the sum of $800,419.97.

They promised to reduce expenditures, and instead of doing so, in three years they have increased expenditures in the sum of $1,088,545.

They promised, by affidavit and otherwise, that no white man would be disfranchised under the amendment to our Constitution, but instead of observing their pledge with respect to this matter, the Democratic State Chairman is now forced to admit that 18,000 white men will be denied the right to vote at the approaching election.

We condemn them for their unwarranted effort to impeach two of our Supreme Court Justices for purely partisan purposes, for following precedents established by the Supreme Court of this State in a long line of decisions covering a period of more than sixty years.

We further condemn them for the enactment of legislation appropriating the money of the people for the purpose of defraying the expenses of persons indicted for the violation of laws which they had sworn to obey, and for granting amnesty to such persons from prosecution in the State courts.

We declare that when the Constitutional amendment was adopted by the people of North Carolina two years ago, it passed out of the realm of politics, and that if Governor Aycock, Senator Simmons and others keep faith with the people in the pledges then made, there can be no such thing as a race issue in the present campaign.

Legislature meets biennially in odd years on the Wednesday after the first Monday in January, and there is no limit to length of sessions, but if sessions are continued longer than 60 days members "shall serve without compensation."

STATE DEBT.—The old debt, excepting such as is not recognized, has mostly been funded under the funding laws of 1879, the time prescribed for the exchange having been extended to January 1, 1903. These laws provided for the issue of (1) consolidated 4 p. c. bonds due in 1910 to fund old ante-war bonds at 40 per cent of face value, "New" railroad bonds recognized as valid at 25 per cent, and bonds of 1866 and 1868 at 15 per cent, nothing being given for overdue coupons; and (2) for new consolidated 6 per cent bonds due in 1919, for which the North Carolina RR. construction bonds were made exchangeable at par, holders of construction bonds abating $240 of overdue interest on each $1,000 bond. The new bonds, both 4s and 6s, carry tax-receivable coupons, and are exempt from "all State, county or corporate taxation or assessment, direct or indirect, general or special." The 4s of 1903 are also exempt from taxation.

An amendment to the State Constitution passed by the Legislature in 1879 and ratified by popular vote in 1880, forbids the General Assembly to pay or recognize as valid the following bonds: Special tax bonds $11,266,000; bonds to Chatham RR., 1868, $1,030,000, and to Williamston & Tarboro RR., $150,000; Penitentiary bonds of 1868, $44,000. The special tax bonds are in 3 classes, class 1 bearing the coupon of April, 1869, and since; class 2 bearing the coupon of October, 1869; class 3 bearing the coupon of April, 1870. Holders of the special tax bonds brought suit to establish the validity of their bonds and the case was decided in favor of the State.

The recognized debt which had been adjusted up to December 1, 1902, stood as follows:

LOANS—	Interest.		Principal.	
NAME AND PURPOSE—	P. Ct.	Payable.	When Due.	Outstanding.
Construction bonds c	6	A & O	April 1, 1919.....	$2,720,000
Renewal bonds c	4	J & J	July 1, 1910.....	3,399,150
Bonds of 1899—				
Prison debt bond.....	4	J & J	January 1, 1909.....	110,000
Prison farm bonds.....	4	J & J	January 1, 1909	60,000
Bonds of 1903.....	4	J & J	January 1, 1913	300,000

PAR VALUE OF BONDS.—The consolidated 4s are $50, $100, $500 and $1,000; the consolidated 6s $1,000 each. The prison bonds are for $500 and $100 each. The bonds of 1903 are for $100, $500 and $1,000 each.

INTEREST on the consolidated 4s and 6s is payable in New York at the National Bank of the Republic and in Raleigh.

TOTAL DEBT RECOGNIZED AND TOTAL ADJUSTED.—The funding act of March 4, 1879, was extended to January 1, 1905. The recognized fundable debt which has been funded and the recognized fundable debt which has not been funded are as follows:

	Funded.	Not funded.
Consols 6 per cent	$2,720,000	$22,000
Consols 4 per cent	3,399,150	216,620

To the foregoing we should add the further fact that the State does not have to raise money for the interest on the six per cent bonds for the reason that the lease of the North Carolina Railroad provides a fund for the payment of the interest thereon, and the State holds three millions of the stock of the road, which if sold would much

more than pay the principal. In addition the State holds other stocks and bonds to the value of $1,274,350; total $4,274,550.

ASSESSED VALUATION.—The State's assessed valuation (about 60 per cent of cash value) and tax rate have been as follows:

Years	Real Estate.	Personal	Railroads.	Total.
1902	$175,522,059	$108,223,537	$57,780,198	$341,525,794
1901	175,366,240	108,075,569	42,448,799	325,890,608
1900	167,368,632	94,081,127	45 147,836	306,597,715
1899	156,609,650	78,343,719	34,349,019	269,302,988
1898	155,280,169	76,967,160	33,619,868	265,867,197
1897	153,858,554	75,995 995	29,157,099	259,011,508
1896	153,835,584	77,025,547	26,576,096	257,437,227
1894	158,088,064	76,391,837	25,084,549	269,564,450
1891	155,079,648	87,370,243	19,726,760	262,176,651
1890	141,817,026	74,946 718	18,438,298	235,202,042
1885	126,955,679	82,613,417	.....	209,569,096
1881	104,742,911	62.995,728	.....	167,738,639

It is estimated that the total valuation in 1903 will be about $440,000,000; the large increase being due to an effort to assess at true value.

POPULATION OF STATE—

1900	1,893,810	1840	753,419
1890	1,617,947	1830	737,987
